Shell Construction of Corporate Operations Center for LCNB National Bank in Ohio Nears Completion

The \$13 million build-to-suit corporate operations center for LCNB National Bank is located at 105 North Broadway, halfway between Cincinnati and Dayton.

LEBANON, OHIO — Schueler Group has nearly completed the shell construction of a \$13 million build-to-suit corporate operations center for LCNB National Bank in Lebanon, about 31 miles northeast of Cincinnati.

Located at 105 North Broadway, the three-story building will measure 47,000 square feet. Construction began in February 2016 and is expected to be complete by late February 2017. LCNB National Bank serves customers and communities in southwest and south central Ohio.
